

Schools Financial Benchmarking

The school has an experienced board of Governors who support and challenge the headteacher over the day to day running of the school. A skills audit is completed annually and is used to organise Governors onto appropriate committees where they are best able to use their expertise.

The Finance and General Purposes Committee meets regularly to ensure that the funding the school receives is spent wisely to maintain the fabric of the building and provide the resources necessary for the children to be successful.

This link allows you to compare the school's income and expenditure with similar establishments in England.

You can view Castlecroft Primary School's financial data, see how it compares with others and uses the information to consider the economic stability of the school.
