EARLY YEARS SPORTS DAY

This year we will be hosting our Early Years Sports Day for the second year running.

We have made some changes this year and the children will be in small groups moving around different stations. This means parents will move from station to station with their child's group. There is a mix of races and non-competitive activities. Each activity will last approximately 10 minutes. By organising it this way the children will not have to sit waiting for their turn too long and parents will get to see their children doing more activities!

If your child attends Nursery in the afternoon they are invited to join us in the morning. They can bring lunch and stay for the afternoon session or go home after sports day.

We look forward to seeing you on THURSDAY 13th JULY at 10.00AM. Sports Day will take place on the school field and the gate to the field will be open just before 10.00am.

Many thanks
The Early Years Team

"We are all different, we are all special!"
