School Focus with clarity on intended impact on pupils	Funding allocated	%	Intended Impact	Evaluation (sustainability and next steps)
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				
Cool Kids – employment of Cool Kids leader to coordinate and deliver 3 before school session to targeted children	£250	57%	Increased engagement in physical activity improves pupil health and fitness, social skills and emotional well-being. Increased participation in extracurricular clubs. Enhanced active and physical provision leads to relaxed, refreshed, recharged and ready to learn children. Regular intra-school sports competitions to be delivered with greater focus and structure of lunchtime sports. Children to be more aware of fitness and keeping their heart rate up for sustained periods of time. 60 Minutes of activity to be built upon and enhanced through structured competitive lunchtime activities.	Marathon kids was not introduced not implemented this year due to continuing COVID constraints and other priorities for keeping children active (60 active minutes). Cool Kids has continued to run having a direct impact on identified children preparing them for the school day. A revamp of the way clubs were delivered has meant a total of 15 clubs were run covering 8 different sports. Across Years 2-6, 68% of children attended an after school sports club. A particular focus and success has been 99% of Year 5 and 6 girls attending an after school sports club. Format of clubs to be considered going forward to next school year to build upon this years successes. Continue with extra-curricular clubs using pupil voice to decide on which sports to provide and when. Look into running health based clubs, using data for participants.
To provide out of school sporting club provision and lunchtime with particular focus on targeted groups of vulnerable children – we will offer netball, football, girls football, cross country, athletics, rugby and hockey.	£5,500
